GOAL SETTING

CENTER FOR RESEARCH IN EDUCATION & LEADERSHIP

CREL
FINISHING SCHOOL

CREL - FINISHING SCHOOL

1. GOAL SETTING

Unleash your potential with our goal-setting training. We are not just talking about resolutions that fade with January.

We are about crafting goals tailored to you, fueled by personalized coaching and powerful tools.

- ✓ Provide a realistic goal-setting programme
- ✓ To experience the transformative power of intention and action
- ✓ Break down ambitious aspirations into bite-sized, achievable steps

2. JOURNALING

Journaling is more than a mere documentation of daily activities; it's a gateway to self-reflection, personal development, and improved productivity.

By embracing the power of journaling, students will not only excel academically but also develop the resilience, self-awareness needed to succeed in life.

- ✓ Students learn to articulate thoughts
- ✓ Reflect on experiences, set goals, and track their progress
- ✓ Fosters self-awareness and self-reflection
- ✓ Boosts mindfulness
- ✓ Fosters a deeper understanding of strengths, weaknesses, and motivations

MENTAL WELL BEING - MINDSET

A healthy mind is a powerful tool for success in school and beyond! We equip students with practical tools to manage stress, cultivate positive beliefs and build emotional resilience.

- ✓ We aim to create a practice where students can focus their minds and learn better.
- ✓ Empower students to approach challenges with growth mindset
- ✓ Reduced stress and anxiety
- ✓ Improved focus and concentration

4. DIGITAL WELLBEING

Finding balance with technology can be a real challenge. Students, especially, face the constant pull of screens, impacting their focus, sleep, and overall well-being. That's where CREL's Digital Wellbeing training programme comes in.

- ✓ Reclaim valuable time for what matters most
- ✓ Gain control over digital habits
- ✓ Minimise dependence on online interactions
- ✓ Help set boundaries, and prioritize real-world connections
- ✓ Equip students to understand their digital habits and gain control over digital behavior

5. FINANCIAL LITERACY

Financial literacy isn't just a bonus skill; it's a life essential. Yet, most students graduate without the basic knowledge to manage their money effectively. Learn financial security—skills that benefit students for a lifetime

- ✓ Our training equips students with the tools to budget, save and invest
- ✓ Navigate financial products responsibly
- ✓ Avoid predatory debt
- ✓ Capable of making informed financial choices
- ✓ Prioritize long-term goals
- ✓ Learn financial security—skills that benefit students for a lifetime

6. ESSENTIAL ETIQUETTES

Essential Etiquettes bridges the gap between knowledge and its impactful application, empowering students with the social and professional graces that elevate their presence.

We aim to demonstrating respect, consideration, and confidence. Our training empowers students to become well-rounded individuals who thrive in all aspects of life.

- ✓ Learn the unspoken codes of conduct of table manners
- ✓ Restroom etiquettes
- ✓ Attire guidance
- ✓ Manage behaviour in public

7. HABIT FORMATION

We aim in building a generation of students who are not just informed, but empowered by the power of good habits.

- ✓ Delve into the science of habit formation
- ✓ Set achievable goals
- ✓ Learn practical strategies
- ✓ Overcome common challenges
- ✓ Create a customized habit plan that fits your lifestyle
- ✓ Strategies to track your progress

8.EFFECTIVE COMMUNICATION

In today's interconnected world, communication is the key that unlocks opportunity. At CREL, we believe every student deserves the power to express themselves clearly, confidently, and persuasively. That's why we offer dynamic, engaging training programs designed to equip students with the essential skills of effective communication.

- ✓ We aim to provide effective communication to foster stronger relationships
- ✓ Build self-confidence
- ✓ Empowers individuals to advocate for themselves and their ideas.
- ✓ Express themselves clearly and confidently
- ✓ Engage their audience and build rapport
- ✓ Articulate their ideas effectively

9.LEADERSHIP/ ENTREPRENEUR

At CREL, we believe every student has the potential to become a leader who serves their community, drives positive change, and makes a lasting impact. Our Leadership as Service training programme equips students with the skills and confidence to:

- ✓ Discover your unique leadership style
- ✓ Master essential leadership skills
- ✓ Empower personal growth

10. VALUES

At CREL we believe good values are the bedrock of a fulfilling life. That's why we offer tailored creating values training programs for students, fostering an understanding of core principles like gratitude, respect, responsibility, integrity, empathy, critical thinking and more.

We believe strong values promote focus, perseverance, and teamwork, paving the way for academic achievement. We cultivate the next generation of responsible citizens, ready to lead with integrity and contribute positively to society.

- ✓ Our programme helps students identify and prioritize their core values
- ✓ Provide an ethical framework for navigating in complex situations
- ✓ Guide students to make ethical choices.

11. READING

In today's information-rich world, strong reading skills are more vital than ever. But beyond decoding words, true reading fluency opens doors to knowledge and imagination.

Our innovative reading programme equips students with tools and techniques to transform hesitant readers into confident, enthusiastic learners. We aim to cultivate the love of reading, which opens doors to a world of knowledge and expands intellectual horizons for our students

- ✓ Our programme helps students discover the joy of reading by cultivating the habit of reading
- ✓ Help become self-directed learners
- ✓ Cultivating a habit of reading

12. CAREER GUIDANCE

Navigating the complex world of career choices can be overwhelming for students. That's where CREL Career Guidance comes in. Our comprehensive training programme equips students with the knowledge, skills, and resources to chart their own career paths with confidence.

- ✓ To explore their values, interests, and strengths, gaining a deeper understanding of themselves.
- ✓ To learn about diverse career options, job trends, and educational pathways.
- ✓ Understand their strengths and interests, Identify potential career paths aligned with their aspirations.
- ✓ To make informed choices about majors, internships and extracurricular activities.

PROGRESSION GRID FOR HABIT FORMATION

GRADES

FINAL OUTCOME

GRADE 6

Introduce the concept of habits and how they impact daily life, as well as how to develop 2 habits

GRADE 7

3 daily habits to develop and get more things done

GRADE 8

Learn the best way to know your habits, create your habits scorecard, and learn how to find and fix 4 or more of your bad habits

GRADE 9

Learn the art of habit stacking and implement it with any of your 5 daily habits

GRADE 10

5 primary areas of our lives and how habit stacking can help us improve long-term goal-setting

GRADE 11

Finding your road map through strong habits using a principle-Centered approach. Learn the 7 highly effective habits for success.

GRADE 12

Building 10 life-long productive habits.
